## MESSAGE FROM YOUR COMMUNITY SPIRITUAL DIRECTOR

*Remember the 3-sided stool from the weekend? The one that describes the life of grace being held up by three things we do? Piety (spiritual disciplines), study (getting to know God's word, God's world, God's people better), and action (doing something for others in the name of Jesus). Without all three we do not live in a life of grace.*

*The Walk to Emmaus is like that, too. There are three purposes for the Walk to Emmaus, and if all three are not done, Emmaus has failed its mission. Those three are 1) Build Christian Disciples, 2) Strengthen Local Churches, 3) "Christianize" The Environment. The recent Walks have been over for a few weeks now, and the Walk you attended may have been a while back. Here's how to tell if those Walks were successful.*

- 1) Are you a stronger Christian? Do those who know you best say you are becoming more like Jesus? Are you being "conformed to the image of Jesus" (Romans 8:29)?*
- 2) Is your church stronger because of you? Would your pastor, the people in the pews, the kids in the hall, say that this is a better church because of you?*
- 3) Does the light of Christ shine brighter in your everyday world? Do people who may not agree with your faith look at you and say you make the world a better place?*

*We have been saved by grace. Now it's time to live it out.*

*DeColores! Michael Henderson.*

## MESSAGE FROM YOUR COMMUNITY LAY DIRECTOR

### Change, Challenges, and Trusting God

Do you like change? People have so many opinions on change. Some say, “change is good,” yet other say, “I hate change.” No matter what your opinion, one thing is sure-Change can be challenging. I personally have been through several changes & challenges in the past few months. In January, after 40 plus years as part of the Methodist Church, it was time for a change. I am now part of the leadership at Remnants Church, a new non-denominational church in Myrtle Beach. I love my new church and we are having a great time worshiping our God together, but as you can imagine we have faced a few challenges. Starting a brand new church is fun and exciting but also at times challenging.

The second big change I most recently have been through was that, on Friday April 13<sup>th</sup>, after almost 24 years in the banking business, I handed over my bank keys for the last time. I have now entered the world of property management. Talk about challenges! It’s been two weeks now in the business, and I’m thankful for all I am learning and all the new experiences. However, new computer programs, new co-works to get to know, and whole new sets of keys are a whole new set of challenges. One of my first challenges has been remembering what key is for what property!

Challenges. We all face them, I don’t know why any of us would be surprised. I mean, did God say that “life is just a bowl of cherries.”? Nope! That was Lew Brown & Ray Henderson, in a song made popular by Doris Day. God said “In this world you will have trouble. But take heart! I have overcome the world”.  
(John 16:33 NIV).

So the next time you are faced with a challenge take heart, He has already overcome the world!

Life is Just a Bowl of Cherries Chorus

*Life is just a bowl of cherries  
Don't take it serious; it's too mysterious  
You work, you save, you worry so  
But you can't take your dough when you go, go, go*

DeColores, Mary Kathryn Alford

## From Community Treasurer

Thanks go out to Community members that attended the April covered dish. Donations amounted to \$ 852! With the increase in facility costs for our walks the best we can hope for is to break even with our pilgrim and team fees, this means the community is dependent on your donations to provide for administrative costs such as insurance, storage fees, and etc.

I am looking forward to serving as your treasurer in the coming year. Please don't hesitate to contact me with any questions about your community finances. Jack McKinnon, Treasurer

## Music

*Sing praises to God, sing praises: sing praises unto our King, sing praises. Psalm 47:6*

What a gift from God – the gift of music! I hope to see you all at First Baptist Church in Pamplico on May 4 for our Gathering. We will praise our God and Savior, Jesus Christ. DeColores, Lynn Tyler

## Agape/Reunion Groups

I would like to thank each and everyone of the reunion groups that provided agape for the spring walks. They were beautiful and appreciated by the pilgrims.

I look forward to seeing all of the agape that will be sent for the fall walks. It is really special to see the pilgrims' surprise at all of the love you send.

I would like you to know how the agape that was not picked up is going to be used. There is a mission trip that will leave for Nicaragua in the next few weeks. The missionaries are going to be working with both children and adults. They will carry our agape to use while they are there. Just think, we will be sending God's love to another country! DeColores, Mary Everhart

## Prayer Request

I am meeting with the district superintendent for the Florence District of the United Methodist on May 7th at 10:30 am to see if I will be accepted officially into the local Pastor Course of study. I ask that everyone pray that God's will be done, whatever it is. DeColores, Mary Everhart
